

Product Purchase & Warranty Registration

Fax or Mail this completed form to address below to register your warranty.

THIS ELECTRIC SKATEBOARD IS NOT A TOY. Skateboarding is a popular recreational activity. However, as with most sports there are certain risks and dangers involved in skateboarding and skating activities, including skating itself, riding, assisting, and observing. Skateboarding is regulated by local laws, which vary by location. Local laws should be consulted for specific requirements in your area.

1. I understand that whenever riding the Altered™ / Exkate® electric skateboard, I should wear a helmet with a chin-guard, elbow pads, wrist guards and kneepads. (Both adults and minors – no exceptions).

Initial here: _____

2. I understand that this electric skateboard is subject to all of the laws of the road, and that many states and localities have additional laws that specifically apply to skateboards.

Initial here: _____

3. I have been instructed as to the use of the electric skateboard remote control brake and acceleration function.

Initial here: _____

4. I have been advised that this electric skateboard is not a toy and I choose to use this product at my own risk, and in no way hold the manufacturer liable for any injuries that may occur to others or me while I exercise use of this product.

Initial here: _____

5. I understand that regular maintenance is required to keep this electric skateboard operating properly and that failure to maintain may void the manufacturers warranty and may make the skateboard unsafe. Regular maintenance includes, but is not limited to, frequent inspection of the batteries in the remote control, solid connections on the battery cables and tightening the mounting bolts on the unit.

Initial here: _____

By initialing each item on the above checklist, I have indicated my complete understanding of these points, and I acknowledge my responsibilities regarding each one. I also agree to explain the points on the checklist to anyone else who will be using the electric skateboard, now and in the future.
